With books at hand, Kathy Nichols and Travis Hermann enjoy a laugh between classes.

Together

Completing a high school education is a lot of work, but as we see from these photographs, there are a lot of good times to be had as well. Friends, many of whom, you have known all your life, accompany you through the four years. If you need help with homework or just someone to talk to, there is someone there.

Valerie Kissack and Hollie Cherry find their seat in Mr. Cunningham's class.

Looking over his assignment, Derrick Baker gives us a smile in the biology lab.

A Day In The Life

A typical day in the life of a DW student would be getting up at 6 or 7, taking a shower, getting on the bus or driving his or her own way to school. At school, he or she would go to class, hang out with his or her friends, and go to any extracurricular activity they may have planned.

These three portraits give you an idea of a typical day in the life of a DW student!

Faculty Members at DeLand Weldon

When a new teacher comes to DeLand-Weldon, they come to stay! Three of our teachers have been here over 18 years. Mr. Philip Blazier (Mathematics and Physics) came to DeLand-Weldon from Illinois State University 28 years ago.

Mr. David Eatock (Biology and English) came to DeLand-Weldon from Eastern Illinois University. Mr. Eatock has been with

DeLand-Weldon for the last 26 years.

Mr. Jerry Stiverson (Science) came to DeLand-Weldon 19 years ago from Illinois State University. He has had several other teaching jobs; however, he has made our school his home.

We would like to congratulate these teachers for making DeLand-Weldon the school that it is today!!! Thank you, Mr. Blazier, Mr. Eatock, and Mr. Stiverson.

Sophomores

Sophomores are the people who have been around high school long enough to know that school is serious and yet fun. While not yet upper classmen, they are an important part of the school community. From those who play on sports teams to those who excel in academics, sophomores are people who can make things happen. Good luck to all the sophomore class.

Juniors

Getting to and through your junior year in high school is a major mile stone in your high school education. At last looked up to as an upper classman, you can begin to see the light at the end of the tunnel. In only one more year you will join the graduates of Deland Weldon High. Then it's off to whatever chosen endeavor you may wish to undertake.

Juniors provide a vital role in school activities. This year's junior class has made a major contribution in inter-scholastic sports, social activities and academics. It is with a sense of pride that they can say, "I'm a junior."

My friends signed this yearbook when we took our last ride to high school. I put it safely away to keep. In a few days, I will show these pictures to my children. The day after that, I will show my grandchildren. For them, it will be a millennium ago. For me, it will be just yesterday.

Effort leads the way for successful season

The 1997-98 Volleyball Season was very competitive for the Lady Eagles. the J.V. team had a winning record of 10-5. These girls gave 100% effort in each match. The Varsity team had some tough competition this season which they handled very well. They participated in three tournaments, The Eagle Classic, the Morrisonville Invitational, and the Meridian Conference. Carrie Crozier was named to the All-Tournament Team at the Morrisonville Invitational.

Girls Basketball

Squad succeeds with determination and desire

The girls basketball team in 97-98 played with a lot of heart. The team represented our school spirit very well with their never give up attitude. The opportunity for interscholastic competition brought a lot of challenges and a whole lot of fun and good times for all the girls.

Although the team was small in number, the games were competitive and fun to watch. The team made progress as the year went along and everyone was very proud of the effort the girls put forth.

Practice And Determination Is What D-W Is About

The basketball team this year had a successful season. They completed the season with a 12 and 13 record. Many of these games, wins and losses, came down to the last few seconds ticking away on the clock. Coach Correy and Coach Stiverson worked the team pretty hard in practice. They emphasized defense, rebounding, playing the WHOLE game.

The Junior Varsity team did not do as well as anticipated. They practiced hard and in most cases, played liked they practiced. Most of the Junior Varsity players will move on to take a Varsity roll next year. So, let's hope that the new Junior Varsity teams has a little more luck. Good job Junior Varsity players and Varsity players. You gave the crowd interesting and exciting games to watch!!!

The scholastic team from Deland Weldon was well represented with some of our best students. Although our school is small in size, we are not small when it comes to intelligence and the ability to compete in the academic arena. This was proven again this year with the successes of the Scholastic Bowl team. Congratulations on a good season.

Band and Chorus

The major event of the year for band and chorus was the once in a lifetime trip to perform at Disney World in Florida.

Thanks to the hard work of Mrs. Schlesinger and the long hours of practice by students, the performance and trip were a wonderful success.

Chorus and Band at Disney World

A trip of a lifetime came true for members of the DeLand Weldon chorus and band as they traveled to Florida to entertain the crowds at Disney World. But as you can see, not every minute was spent in practicing or performing. There were a lot of times for fun and frivolity as these pictures suggest. This experience is something that will always be remembered by those involved.

1998 Graduation

Amanda Baker was Valedictorian of the Deland Weldon High School senior class at the Graduation Exercises held Saturday, May 30, 1998 at the high school. Ryan Sosamon was the Salutatorian. Twenty two seniors graduated as a large capacity crowd of family members and friends gathered to witness the exercise. Addresses given by Amanda and Ryan spoke of the experiences they have had while here at Deland Weldon High, and of the future challenges that lie before them and their classmates of 1998. From the moment these students moved their tassels, each of them have begun a new and exciting venture in their lives. Best wishes and good luck to each member of the senior graduating class of 1998.
